QUESTION

ANSWER

As it would appear from the records in this Office that this ship has not been examined in drydock by the Society's Surveyors since May, 1957, I shall be glad to learn what arrangements are proposed to be made for such an inspection to take place.

Date:—

23rd July 1958

We enclose herewith a copy of a letter received from the Owners which we trust you will find self-explanatory.

I take this opportunity to point out that the Donkey Boiler Survey becomes due this month and that the Steam Pipes Survey will become due in August.
