Dear Sir,

ss "DEWSBURY"

I am in receipt of your letter of the 24th instant advising that the Screwshaft Survey prescribed in the Society's Rules will become due at the end of December next; as this vessel will be replaced in January by the new motor vessel, mv "COLCHESTER", it is not proposed to carry out the Screwshaft Survey.

With regard to your P.S.: both main boilers of the above vessel, together with mountings, have been surveyed during October and safety valves on both boilers were floated and set yesterday at Parkeston Quay in the presence of your Surveyor.

Yours faithfully,

SUPERINTENDENT MARINE ENGINEER,
FOR SHIPPING AND PORT
SUPERINTENDENT
