Dear Sirs,

"FLORENCE COOKE"

We have to refer to our telephone conversation with Mr. Bainbridge this morning and, in compliance with his request, to inform you that our London Office have intimated that, according to their records, this ship was last seen in dry dock by the Society's Surveyors in August 1957.

We shall be glad to learn what arrangements are proposed for a further docking survey to be held and would appreciate your early advice.

Yours faithfully,
THE SURVEYORS,
