Dear Sir(s),

With reference to the classification of the above-named vessel in the Society's Register Book, I am directed to remind you that a Special Survey as prescribed in the Society's Rules will become due at the end of **April** next, and I shall be obliged if you will kindly state, for the information of the Committee, what arrangements will best suit your convenience to have the necessary inspection held.

Messrs. Andrew Weir & Co. Ltd.,  
Maritime Exchange Buildings,  
1 Bury Street, London, E.C.3.

Yours faithfully,

S. I take this opportunity to point out that the Donkey Boiler Survey also becomes due at the end of April. I would remind you that the starboard main engine No.3 cylinder jacket and the cylinder covers of the port centre and port after diesel generators require to be examined by April, 1949.

Clerk to the  
Classification Committee.
