Lloyd's Register of Shipping,  
LONDON.

Dear Sir,

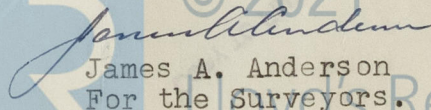

## "CHINA FIR"

The Owners now inform us that this vessel will drydock at Fujinagata, Osaka, about the 25th instant.

They propose submitting the vessel for General Examination with a view to extending the Load Line Certificate until 31st March and postponing the Special Survey until that time.

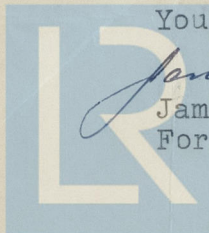

Will you please inform the Surveyors, Kobe, if this proposal is in order.

Yours faithfully,

  
James A. Anderson  
For the Surveyors.
