

14th March, 1961.

HONG KONG

10, 017, 067 - As recommended.

16059 - As recommended.

"HINA FIR" - As the result of a survey held at Kobe in December, a further postponement of the Special Survey desired by the Owners has been approved by the Committee. It is concluded that arrangements are now in hand for the Special Survey to be held on the ship's arrival either at Hong Kong or Kobe about the end of the present month.
