71, Fenchurch Street, E.C.3.

3rd August, 1937.

Dear Sirs,

M. I have to acquaint you that I am advised by the Society's Surveyors at Sunderland that the Steamer "NORTHLEIGH", Messrs. Wm. Pickersgill & Sons' Yard No. 237, has proceeded to your port for installation of the machinery.

To complete the Survey on the hull the following remains to be done:- Engine and boiler casing top, inspection of windlass and steering gear under working conditions.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No.8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

WEST HARTLEPOOL.
