QUESTION

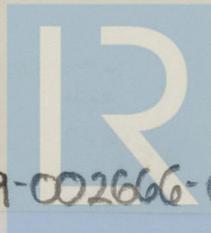

ANSWER

Date:— 4th September, 1961.

With reference to your letter of the 3rd March last it is concluded that this ship is still laid up, but please confirm that this is so.

You should remind the Owners that the Special and Screwshaft Surveys become due at the end of October.

The Owners Representative confirms that the ship is still in lay-up in the Singapore Eastern Roads, and should the vessel's circumstances be changed however, they will of course keep us advised.
