LLOYD'S REGISTER  
LONDON.

REC'D  
ANS'D

11 MAY 1922

Bilbao, 8th May 1922

Dear Sir,

We beg to confirm the following telegram sent to your  
to-day as follows:-

ALDECOA HOLD PILLARS THIRTYNINE AND FIFTYFOUR THICKNESS OF ANGLES  
EIGHTEEN MILLIMETRES.

With regard to this case we regret that in our letter of the  
25th ultimo a clerical error was made giving the thickness of the  
pillar angles on N°39 and 54 pillars as 10 m/m instead of 18 m/m as  
fitted on ship.

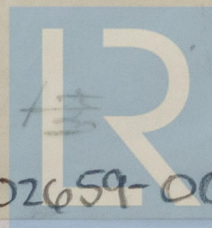

The following are the sizes of the pillars, N°39 held pillar  
four angles 150 X 150 X 18 m/m and a plate 300 X 10 m/m.  
N°54 held pillar four angles 150 X 150 X 18 m/m.

We are, Dear Sir,

Yours faithfully,

*W. H. England*
