

21 APR 1922

Chief Ship Surveyor

Received from Chief Ship Surveyor

NAME Single Sc. S/S "ALDECOA"

Rpt. Bbo.

No. 5977

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey

It is submitted before the case receives further consideration the Surveyors be requested to state whether the side coamings of the in deck hatchway to No. 3 hold have been increased in strength in view of the hatchway having been lengthened as shewn on the plan of profile forwarded with the report; whether the hold pillars at the ends of the above hatchway have been increased in size and whether the pillars are formed of plates and angles where so approved.
