

LLOYD'S REGISTER OF SHIPPING

Oslo, 8th September, 1961.
Tollbugaten 27

Dear Sir,

M.S. "ADNA".

The Owners have informed us that the charter contact on this ship ends in June, 1962, and in view of this they would greatly appreciate postponement of the Special Survey, due in November, for a period of 12 months. The ship will be drydocked at Hong Kong at the end of September and a General Examination can be held there.

If this deferment is granted the Owners have asked that our Hong Kong Surveyors be informed so that they are aware of the position.

Yours faithfully,
THE SURVEYORS,

Per

David J. Grant

The Secretary,
London.
