RECEIVED
19 MAY 1961

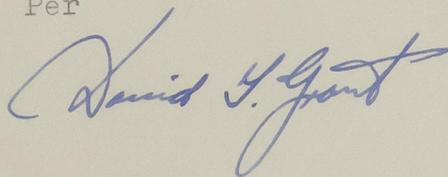

Oslo, 18th May, 1961.
Tollbugaten 27

Dear Sir,

M.S. "ADNA".

With reference to your letter of 5th May, 1961, regarding the missing equipment for this ship we have now been informed that the cable and anchor were despatched to Singapore from Liverpool in January and March respectively, but that no-report has yet been received that the equipment has been placed on board. Investigations are now being made by the Owners to ascertain the position.

Yours faithfully,
THE SURVEYORS,
Per

The Secretary,
London.
