(S)

Dear Sir,

"CAPTAIN JOHN"

I beg to enclose Rotterdam Hull Report No. 49031.

The Owners' Representative, Mr. Pitellos, stated that the ship will sail to Savona (Italy) in ballast. Upon arrival she will be laid up and possibly sold for scrap.

I beg to inform the Committee that the general condition of the ship is such that in my opinion no postponement of Special Survey (due 4-60) could be recommended. Should the Owners contact your Office for postponement of Special Survey (General Examination) I beg to state that this will in my opinion only be possible if repairs in drydock are carried out.

Yours faithfully,

The Secretary,  
LONDON.
