SWAN HUNTER & WIGHAM RICHARDSON'S NO. 1465

Dear Sir:-

I wish to acknowledge receipt of your letter of the 27th ult. having reference to the assignment of U. S. freeboards on the above mentioned vessel when she arrives on this side and it is noted that a copy of the Surveyor's freeboard report will be forwarded for our information.

We would also like to have a copy of the Displacement and Tons per Inch Scales and a copy of the Midship Section, Profile and Deck for our use in the computation, unless you are forwarding the computation on a U.S. freeboard report, when, of course, these plans will not be essential.

I am, Dear Sir,

Yours faithfully,

Chief Surveyor,
U.S.A. & Canada.

The Secretary,

LONDON.
