Dear Sirs,

Motorship "CORILLA"

I acknowledge receipt of your letter of the 16th March with its enclosed plans, the contents of which have been noted, and enclose a copy of my letter of today's date addressed to the Owners which is self-explanatory.

I would draw your attention to the fact that pre-survey drillings were carried out by you on this ship in March, 1959, and that there are a number of differences between the drillings then reported and the ones now reported. This has had an appreciable effect on the renewals considered necessary.

A copy of the Singapore Harbour Board's drawing No. R/1456 indicating the recommended renewals is enclosed for your records.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

Surveyors,
SINGAPORE.
