

8th September, 1949.

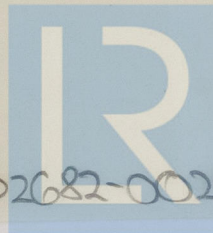

Dear Sir,

With reference to Liverpool Report No. 128636 on the Steamer "TRIBESMAN" and to my letters of the 17th May and 29th July last, I think it well to point out that copies of the approved plans of oil fuel conversion cannot be traced in this Office and in the circumstances, I shall be glad if you will arrange to have these documents forwarded as soon as possible.

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary
LIVERPOOL.
