8th March, 1932.

Dear Sirs,

I have to request that you will obtain from Messrs. Smith's Dock Co.Ld., builders of the steamer "ALACRITY" (Yard No. 781) the moulded displacement at a moulded draught equal to 85% of the moulded depth of this vessel, and the extreme displacement and tons per inch at 19 and 20 feet extreme draught.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

MIDDLESBROUGH.
