Dear Sir,

M.S. "AUGUSTENBURG".

Ans'd

We thank you for your letter dated 26th February, 1962, the contents of which have been duly noted.

This case has now been discussed with the Owners' Superintendent, who has informed us that the above ship is expected to return to this port by the middle of April next when he will make arrangements for the present continuous survey cycle of the machinery to be completed.

We shall issue the amended int_erim certificate as requested; however, before doing so we shall be glad if you will kindly reply to the third paragraph of our letter of the 16th February, 1962, in order that we may give the Owners' Superintendent a clear position now.

Yours faithfully,

The Surveyors.
