Dear Sirs,

Motorship "AUGUSTENBURG"

Reverting to your letter and enclosure of the 19th December last, the report of the survey held at New Orleans in May/June, 1961 has now been received, but the port and starboard Nos. 2 top end bearings and guides still remain to be examined to complete the current CS cycle. Please inform the Owners accordingly and request them to make early arrangements in respect of these items in order that a CS notation may be assigned.

In the circumstances you should issue an amended interim certificate recommending "CS with date" on completion".

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
HAMBURG.
