And'd

Dear Sir,

"AUGUSTENBURG"

With reference to your classing letter dated 14/12/61 concerning the above vessel we have to advise you that it appeared from the survey on board, No.1 and 2 cylinders, piston and rods, valves, gears, connecting rods, top ends and guides, crankpin and bearings of the port and starboard main engines were surveyed in New Orleans May/June 1961.

We have deferred issuing an amended certificate until further instruction have been received from you, in the event of the foregoing information being correct.

A copy of this letter has been sent to the New Orleans surveyors with a covering letter.

Yours faithfully,
The Surveyors,
Per:-

David F. Brooker-Smith
