Dear Sir,

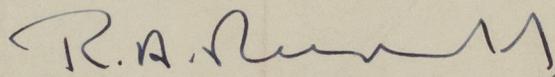

Re: m.s. "FORT HEARNE" - Reported lost
by ice off Bernard Harbour on 18th July, 1961

We refer to your letter of 2nd August, 1961. We have now heard from Canada that the "Fort Hearne" is a "constructive total loss". Under these circumstances we have no objection to expunging the vessel's class from the Register.

We would, however, point out that the Underwriters have not yet formally confirmed that the vessel is a total loss.

Yours faithfully,

for BAY STEAMSHIP COMPANY LTD.,

Secretary
