Dear Sir,

Motorship "FORT HEARNE"

I duly received your letter of the 4th instant and have since submitted this case to the Committee for consideration. In the special circumstances mentioned by you, they have decided to agree to the Screwshaft Survey being deferred until the next Docking Survey to be effected in Vancouver about June, 1962.

The remarks contained in Mr. Moorcroft's letter of the 27th June are noted, but so far as his inspection of the hull is concerned, it will be very helpful if he will be good enough to detail the various parts seen by him so as to complete our records here.

Yours faithfully,

Clerk to the  
Classification Committee.

The Principal Surveyor,  
MONTREAL.
