Dear Sirs,

We acknowledge receipt of your letter Classn. H. dated 29th December, 1959, and have to inform you that the next Docking Survey of M.V. "Fort Hearne" is likely to take place in Vancouver during June 1962. Due to the remote area of operations in the Western Arctic, it is impracticable to bring the vessel out to Vancouver more frequently than at four year intervals. Annual inspection while afloat is made by the Canadian Government Inspector at Tuktuk.

With reference to your postcard dated 10th December, 1959, requesting details regarding the engines of M.V. "Fort Charles", this vessel is now unseaworthy and not worth repairing. She has been abandoned and should be taken off Lloyd's Register Book.

Yours faithfully,

For BAY STEAMSHIP COMPANY LTD.
