STEAMSHIP INSPECTOR'S OFFICE

AT 606/325 Granville St.,
Vancouver 2, B.C.
July 31st, 1959

Mr. J.A. Stewart,
Lloyds Register of Shipping,
355 Burrard St.,
Vancouver, B.C.

M.S. "FORT HEARNE"

Dear Sir:

This is to advise you that the above named vessel was inspected afloat in Tuktoyaktuk Harbour, June 7th, 1959.

Hull inspected internally and externally as far as possible afloat in ice, found in good condition.

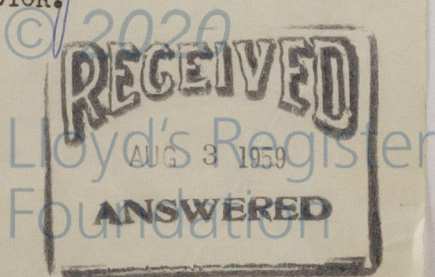

Closing appliances were examined, found good. Load line marks checked and found in accordance with load line certificate issued 25-6-58 by Mr. A. Riddell, dated to expire 12-6-63.

Lifesaving and fire extinguishing equipment was inspected and found in good condition.

Yours very truly,

J. Moorcroft
J. Moorcroft,
STEAMSHIP INSPECTOR.
