Dear Sir:

Thank you for your letter of July 25th with enclosed letter from Classification Committee of Lloyd's regarding our M.V. "Fort Hearne". In view of the contents of your letter it has been decided to bring the "Fort Hearne" out to Vancouver in the autumn of 1952, and we would, therefore, be pleased if you would advise the Committee accordingly, since we consider it advisable to maintain the vessel in class.

Yours faithfully,

For the HUDSON'S BAY COMPANY,

For W. E. Brown,
Acting Transport Manager,
Fur Trade Department.
