

Wood M.S. "FORT HEARNE"

When the recent statement for the Committee was prepared it was not recalled that a special arrangement was in force for the survey of this vessel (please see letter dated 28th February 1950 to the Montreal Surveyors).

The arrangements proposed by the Owners in their letter of the 14th ultimo for the survey of this vessel ~~did not~~ appear to conform to the agreed arrangement.

M.L.
