DEPARTMENT OF TRANSPORT

Ottawa, December 21, 1949.

Attention Mr. E.R. Macmillan.

Gentlemen: M.S. "FORT HEARNE"

I have your letter of the 8th instant in which you ask if the arrangements which were made in connection with the load line survey for the M.S. "FORT ROSS" may be applied to the above named ship which is now in service in the Western Arctic and is not expected to leave these waters until some time in 1953.

In reply I have to advise you that provided you are satisfied that the load line surveys are properly carried out and the certificates are endorsed by persons authorized by you for that purpose the same arrangements may be applied to this ship while in Arctic waters.

Yours very truly,

(Sgd) A.A. Young,

for R.C. Blyth  
Deputy Chairman.
