Dear Sir,

s.s. "CEFALU"

The case of the above named ship has been reported to the Committee today in the light of the comments contained in your letter of the 1st instant.

In the ordinary way the Committee's decision would be to record a notation of "Laid up - Surveys overdue 9,58." but bearing in mind the fact that the whole question of the assignment of such notations for American controlled ships is to be reviewed in November, they have decided to defer the assignment of any record in this case on the understanding that the Owners appreciate the Special Survey must be carried out before the ship again proceeds to sea if class is to be maintained.

Yours faithfully,

Clerk to the  
Classification Committee

The Secretary,  
NEW YORK.
