LLOYD'S REGISTER OF SHIPPING

Port MARSEILLES

Date 24th August, 1960

C.3821

This is to Certify that I have
surveyed the M.Tanker "IOPAS" 8010 gross tons of Havre, whilst
afloat in the Etang de Berre on the 24th August, 1960,
in the partly ballasted condition, with a view to towage
from Etang de Berre to an Italian Port,

that I am transmitting to the Committee of Lloyd's Register of
Shipping, London, a Report, stating that all repairs recommended by
me have been completed to my satisfaction, also that I am
recommending that she be considered efficient, in my opinion
for a voyage from the Etang de Berre to an Italian Port as
an unclassified Hulk in Tow, all towing arrangements being the
responsibility of the Owners.

Surveyor to Lloyd's Register.
D.A.R. CROWLEY
