

s.s. "JALAYAMUNA"

Mr. Joseph of Messrs. Scindia Steamships  
(London) Ltd. informed me by telephone this  
morning that he had been advised by his  
principals in India that this vessel had been  
sold for breaking up on the 1st May.

It is understood that the Publications  
Department are requesting written confirmation  
regarding this matter and Mr. Joseph will  
reply to this when received.
