Dear Sirs:

"FLEET TANK"

I have to point out that the Donkey Boiler Survey of this ship became due at the end of February last and in the circumstances I shall be very much obliged if you will kindly let me know when and where this survey will be dealt with in order that the Society's Surveyor at the port concerned may be instructed.

It is observed that the ship was last seen in drydock in February 1958.

Yours very truly,

Secretary.
