Ans'd.

Dear Sirs,

The Special Survey on the "PROSPECTOR" belonging to Messrs. T. & J. Harrison is due in December and ordinarily docking would be carried out in 2 or 3 months' time and the Boiler Survey next month.

Will you please note that at the moment the Owners are not arranging any survey work for the vessel as they have sent her to a lay-up berth in this Port and put her up for sale.

Yours faithfully,

*C. E. Jackson*  
Secretary to the  
Liverpool Committee.

The Secretary,  
LONDON.
