Lloyds Register of Shipping,
KARACHI.

28th March, 1949.

Dear Sir,

"FRAVARTA".

As the Owners have decided not to offer this vessel for Classification as a Vessel "for towing services" I beg to request that the Rpt.1 & Freeboard Report forwarded under my report Nos.Krh.1403 & 1404 may please be destroyed. To avoid complications the new reports now being prepared will bear the same numbers.

The proposal now being put forward by the Owners is that two Basset Trawler Hulls, bought without engines or boilers should be converted into barges and that the "FRAVARTA" should tow these, one at a time, between Naraingunj & Chittagong.

The barges will retain the present bulkheads and will be fitted with Hatchways in accordance with the Rules. Drawings are being made and will be submitted for approval.

Yours faithfully, 2020

J. Johnston.
