Classn. (H)

Dear Sirs,

M.S. "CARLSHAMN"

With reference to your letter of the 30th November and mine of the 9th December last, it is concluded this ship is still laid up, but I shall be glad if you will confirm from the Owners that this is so.

The Owners should be reminded that the Screwshaft Survey becomes due at the end of April next.

A partial Donkey Boiler Survey was held by the Rotterdam Surveyors in November. To entitle the vessel to the record DBS 11,59. the safety valves of the starboard boiler require to be adjusted under steam, the oil fuel installation examined under working conditions and repairs to both furnaces of the starboard boiler effected before recommissioning.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
STOCKHOLM.

c.c. Rotterdam.
