Lloyd's Bank Chambers,

Middlesbrough, 4th June 1934.

Dear Sir,

Referring to our letter of the 29th Ultimo regarding the s.s. "CRIOLLO FIEL" we now have pleasure in giving you hereunder registered tonnages as supplied by the Builders and enclose copy of the account rendered;

Gross tonnage	4084.63

In this connexion the Builders have been requested by Sir Joseph W. Isherwood to furnish the classification certificates in triplicate and as it is essential that these should be placed on board before sailing on Friday, they ask that you may particularly favour them by having these certificates forwarded by return.

The Builders have undertaken to remit the fees with the least possible delay and hope that, in this instance, it may be permissible to hand the certificates over pending settlement.

We are, Dear Sir,
Yours faithfully,
The Surveyors,
