Dear Sirs,

s.s. "CEDAR".

With reference to your cablegram of the 13th August, it is noted that a decision regarding the Special Survey will be made on completion of the present charter early next month.

In the circumstances you should keep in close communication with the Owners with a view to definite arrangements being made for the completion of the Special Survey at an early date, and in any case before the end of October, 1958; and advise this Office immediately you are in receipt of any further information.

It is concluded that the Main Boiler Survey will be held at the same time as the Special Survey but I shall be glad if you will confirm this.

The Load Line Certificate will expire on the 30th October, 1958.

Yours faithfully,

cc.FBD.

Clerk to the
Classification Committee.

The Surveyors,
HONG KONG.
