Dear Sir,

Steamer "CITY OF BARCELONA"

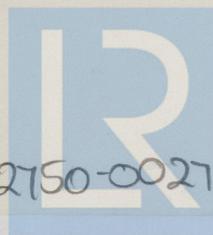

I acknowledge receipt of your memo of the 14th instant with its enclosures, the contents of which have been noted.

I confirm that following the satisfactory examination of the after end of the stern tube at Liverpool in August, 1957, the machinery class was continued subject to this item being specially examined at the next dry docking as stated by the Owners.

Yours faithfully,

Assistant Clerk to the
Classification Committee.

The Secretary,
GLASCOW.
