Dear Sirs,

## "CITY OF BARCELONA"

We are in receipt of your letter of the 1st instant enquiring about arrangements to be made for the re-examination of the repairs to the Stern Tube After End on the above named vessel.

We have been in communication with Lloyd's in Liverpool who confirm that in November, 1957, it was agreed that the examination be deferred until the next drydocking which is due shortly. This was also agreed to by your colleagues in London.

At present the vessel is loading homewards from East Africa.

Yours faithfully,  
HALL LINE LIMITED.
