Dear Sir,

" A L B A "

We are in receipt of two of yours memoranda, dated 16th January & 25th February, last, concerning the proposed arrangements for the screwshaft survey, due end of this month, and regret that we are unable to obtain any information about this matter.

It appears that such matters are dealt with by their Genoa Office. Consequently we have forwarded the Memoranda to the Surveyors, Genoa, with the request that they make enquiries there and inform you as the result. We understand that the Owners' Superintendent lives at Genoa, and is known to the Genoa Surveyors.

Yours faithfully,

The Surveyors,

The Secretary,  
L O N D O N .
