Dear Sir,

Communications to be addressed to
THE SURVEYORS.

In reply to your E letter of 2nd inst. respecting the m.v. "G.S.WALDEN" I beg to state that the 10" direct suction from the circulating pump is fitted as shown on the plan.

With regard to the test certificates of the dynamos I have to state that the only certificates issued by the Makers have been forwarded to the Owners, but copies of same will now be issued and forwarded to your Office in due course.

I am, Dear Sir,

Yours faithfully,

J. J. O'Brien

The Secretary.

LONDON.
