5th January, 1920.

Dear Sir,

With reference to the Glasgow first entry report No. 39493 on the new S.S. "ARANA", I have to say that it is concluded the tank top plating is increased in thickness as required in way of hatches, and that the breadths of keel straps are as required, but I shall be glad if you will kindly ascertain from the Surveyors and let me know whether this is so.

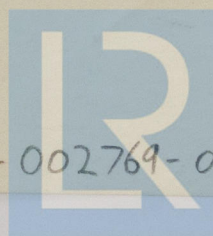

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
