3rd January, 1920.

Dear Sir,

A. With reference to your letter of the 1st instant, respecting the case of the S.S. "ARANA" (Glasgow first entry report No. 39493) I have to inform you that the proportion of the fees which will be chargeable to the Department of the Controller General of Merchant Shipbuilding for the survey during construction of this vessel up to the time of transfer to private ownership will be 40% of the difference between the fees as a Standard Vessel and the ordinary classification fees in the case of the Hull, and 50% in the case of the Machinery, which will amount to say £9 and £10 respectively.

An account has to-day been rendered to the Ministry of Shipping for these fees, and on payment your account will be credited accordingly.

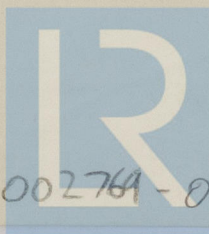

I shall therefore be glad if you will kindly see that the necessary entries are now made in the Glasgow Rough Fee and Debit Books in the usual way.

I am, Dear Sir,
Yours faithfully,

Secretary.

The Secretary,

GLASGOW.
