16th January, 1946.

Dear Sir,

I duly received your letter of the 9th instant enclosing a further copy of the Rpt.10 issued from your Office under date of 20th July, 1945, in connection with the drydocking of the motorship "KATRINE MAERSK". In actual fact, your first copy together with similar certificates issued for the "CHASTINE MAERSK", "CAROLINE MAERSK" and "SALLY MAERSK" came to hand early in August, but at that time the Copenhagen first entries had not been received.

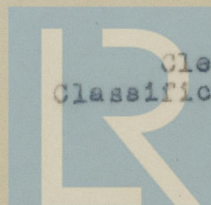

When they did come to hand, however, your certificates were overlooked and it was not until we received your cablegram of the 9th instant that they were discovered. This has enabled us to deal with all four cases.

To accord with usual procedure, however, it is considered that Rpts.8 should be prepared and forwarded in each case seeing that the surveys held were in completion of survey during construction, and I shall be glad if you will arrange for this to be done.

Yours faithfully,

Clerk to the
Classification Committee

S. Townshend, Esq.
ROTHENBURG.
