

EXTRACT from semi-official letter received from Mr. James French, New York, dated 13th February, 1925.

s.s. "JOSIAH MACY". Clv. 294.

I am advised by the Cleveland Surveyor that Messrs. Hooven, Owens Rentschler Company informed him that the engines, originally intended for this vessel, have now been resold and will be installed in the s.s. "BETTERTON" at present under survey at Philadelphia for classification.

(Original letter attached to
N. Yk. report No. 24601 on the
s.s. "BOSWELL".)
