Dear Sirs,

With reference to my letter of the 15th and your reply dated the 18th March last, I shall be glad to learn whether you are yet in a position to advise me regarding the arrangements made to carry out the Special Survey, which will become due at the end of October.

I take this opportunity to remind you that the class is at present continued subject to upper deck plate in 'B' strake (doubled) in way of No.8 centre tank being renewed by the Special Survey, and that the Auxiliary Boiler Survey will become due at the end of next December.

Yours faithfully,
