

Chief Ship Surveyor

Received from Chief Ship Surveyor

31 AUG 1920

NAME stl. S.S. "SYDLAND" Rpt. slt. No. 27910

Remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/192.)

Surveyor

Before this case receives consideration, the Sunderland Surveyors should be requested to state whether the plans for the bulkheads, which are constructed on the "Hogg Carr" patent, have been approved.
