Dear Sirs,

s. s. "Finvoy"

Your letter of the 7th. November at hand regarding the third paragraph of our letter of the 6th. November.

We would like if you could grant us an extension of the Special Survey which is due in January next - that is to say - we would have to comply with your usual regulations of docking the vessel and carrying out any repairs which your surveyors may deem necessary for the safety of the vessel.

If your committee will grant us this request, we would like to dock the vessel at Buckie about the middle of December.

Trusting to hear from you at an early date.

Yours faithfully,
Bremner & Co.
