7th November, 1957

Dear Sirs,

"PINVOY"

I acknowledge receipt of your letter of the 6th instant in connection with the Annual Load Line Survey which will become due on the above ship on the 21st January next, and note your proposal to deal with this inspection when the ship is drydocked at Buckie at the end of next month.

The existing Load Line Certificate which was issued on the 21st January, 1954, is valid until the 20th January, 1959, and it is, therefore, concluded that the 3rd paragraph of your letter refers to a postponement of the Special Survey, which becomes due in January next. If, therefore, you will kindly let me have your confirmation the case will be submitted to the Committee for consideration.

Yours faithfully,

pro Secretary

Messrs. Bremner & Co.,
