

Lloyd's Register of Shipping,

14, Rue de Fontenelle,

Rouen, 10th May, 1933.

S.S. "S.N.A.6.", Number 70781 in Register Book.

Dear Sir,

With reference to the attached Freeboard Verification Form for the above vessel the maximum summer draught is shown on the Builders' Displacement Scale as 18'-3 3/4". In the Register Book it is given as 18'-3". The position of the centre of the disc remains unaltered in accordance with your instructions.

I am, Dear Sir,

Yours faithfully,

Diab. Smith

The Secretary.
