Dear Sir,

S.S. "TRUDY VINKE"
S.S. "EGBERT VINKE"
S.S. "ROBERT W. VINKE"

I am in receipt of your letter of 25th inst., concerning the overdue ^{due} surveys of the above named steam whalers.

The above vessels are still laid up and it is unlikely that they will be re-commissioned. The Owners Representative has been well reminded of the overdue surveys.

The "Tommy W. Vinke" and the "Elly W. Vinke" are to join the above three whalers in being laid up; whilst the "Nellie Vinke" has also been laid up these past two seasons.

Yours faithfully,

E. Ritchie
SURVEYOR
